Profile

I am a Bachelor of Computer Applications (BCA) graduate with a strong passion for technology and software development. As part of my final year project, I created a voice-based application, which enhanced my understanding of speech recognition, user interaction, and Python libraries. I am a quick learner, highly motivated, and always eager to explore new technologies.

Education

Bachelor of Computer Applications, *University of Calicut*

09/2021 – 05/2024

Malappuram

Higher Secondary Education, Kerala State
